PORTLAND, GREENS HIMES THE PRINTER,

NEWSPAPERARCHIVE®.

1 SDA1 MOENING, FEB. 19, 1883. THE SENATE OFFICELS emarable courses of the apring of 1851 Mr. Clathies and dyposing Littledf to reproach. being out of the race, the candidate for sergenital-arms is George W. Hooker of Vormont, now sergeaut-at-arms of the house. Mr.
Gorham tells his friends that he expents to be
elected secretary. In the ippring of 18s4 is
had the support of Mr. Mallom. It is under
stood, however, that several senders who see
no necessity of publicly opposing Mr. Gorham at this time, will not rote for him and

glad to see Mr. Gerham electrod percetary, if he could be elected without seriods trouble, but that they would not insist upon it in the face of determined opposition. It all believed that that they will, rote with the appendicant if a principles, and his superiors in enjoy. that they will note with the signabilities if a reorganization should take phoso at a special session. Some of he most priming trepub licens are asxious that the georganization should be effected before the sind of the prospective is less. Its sworldly rewards have seen session, in order that the incombination is less. Its sworldly rewards have seen session, in order that the incombination is less. provided by a republican before the ond of Mr. Davis may decide to resign his office before March 3, and that the election of Mr. Authory is his income and the may accord to the may decide to resign his office before March 3, and that the election of Mr. Authory is his income may accord before the may be may be made in a make the way to Toung. This is the meat out of many col-

will visited appetite in this man-

and agreement implements, that ithe Indians may be self-cutaining on the baldice, and bel-her pertions of their territory, which are stapted to agreement pursuits. It is equite possible put into practice is would bear good fruit. If the tribal relations of all of the Indians could from his practical knowledge of the subject, but he labour under the authorsessment of a had method hadly administered according to ministrations have been grouped together to of a revolution in the Indian office will lay the Soundation for a latthful and officient porvice in that department. The greatest objection to the plan proposed in the Indian territory is no assurance out be given of its success if

The Puget Sound carrying trade, already great, is growing rapidly, and the O. R. & N. Co.'s present fait is not equal to the deprand Two stort boats of the best style and

Andersen the murderer, will be sentenced Thursday. There will be an application for a new trief, of course, and lawfrers are of the comion that it will be denied. We learn that he matter will probably be maken to the

coughs. There is more talk about Su livate

Blut rewardy, adding that he disclaimed the redit of a fresh discovery. The chief votes in from which is cannot vary during the white Investigation of the Recent Disaste

0112, 011 it is Billion that Tins the Big Battles.

We believe in advertising as a channel by which to convey to the public the CHARACTER OF THE COMMODITIES WHICK WE HAVE FOR SALE, but to prostitite the columns of a newspaper by sensational advertising, without the semblance of truth, is a thing to be deprecated. We call all to witness that such has not been our mode of advertising. WE HAYE BEEN TRUTHFUL IN OUR REPRESENTATIONS. We have never misled you or drossed our advert sements in tinsel. We have given plain truths, and these facts we are anxious to impress upon the public, because their correctness is susceptible of ready demonstration.

Facts and Figures:

as many weeks, and it is verily crammed with goods. It is a startling fact, but none the less true, that we are actually living upon others' losses. Come and convince yourselves, and although we are no mendicants pleading for your patronage (inasmuch as your interests are identical with ours), yet we are in terriMe earnest to sell.

There are many lines throughout the house that have heen bought at a sig discount, and we advise you to see

to sell, and you will REAP A RICH HARVEST. We are speaking in al faith when we say that it is a thousand to one that such an opportunity will not present
